TELEVISION PRODUCTION ASSISTANCE PROGRAM
CREATION OF INTELLECTUAL PROPERTY SUPPORT

APPLICANT ELIGIBILITY CRITERIA

1. First category, the regular funding envelope: The applicant must have legal status in Quebec, be Quebec-controlled, and be headquartered in Quebec;
2. Second category, the diversity funding envelope: the applicant must have a legal entity operating in Quebec, be under Quebec control and have his head office there. The applicant must also inform us that he is part of one of the communities reflecting diversity, as recognized by the CRTC (see definition in the general rules);
3. Third category, the funding envelope for OLMC: the applicant must first have a legal entity operating in Canada, be under Canadian control and have his head office there. In addition, the applicant must operate in a minority official language community (OLMC) (see definition in the general rules);
4. The applicant's main activity must be the production of audiovisual programming;
5. The Quebecor Fund will give priority to producers with significant experience in their sector of activities.

PROJECT ELIGIBILITY CRITERIA

Projects must include the following aspects :

1. The production of quality content programs for television in French, English and/or Aboriginal languages, broadcast by a Canadian French-language broadcaster recognized by the CRTC.
2. The adaptation of a television series as a format or the development of Canadian television formats or concepts from an original idea;
3. The project must be in development for foreign markets;
4. The project must have received financial commitment for development for foreign markets from a CRTC-recognized Canadian French-language broadcaster.

FINANCIAL CONTRIBUTION AND RECOVERY TERMS

1. The maximum contribution for each project is $ **300,000** ;
2. The Quebecor Fund's contribution will not exceed 75% of the direct cost for creating or adapting a format/concept intended for international markets.
3. Producers' fees and all traditional development costs for the national market, and which are covered by other government funding programs, are excluded from expenses.
4. The Quebecor Fund's contribution, as an investment, is fully refundable on the first of the following: on the first day of filming up to 100% and/or from profit generated by exporting the project, in shared profits, in compliance with the recovery terms on a "pari passu" basis.

APPLICATION FILING DEADLINES
